ATTENTION: FUTURE SPECIAL AGENTS (YOU) **& CASE OFFICERS (GROWNUPS)**

.....

CONGRATULATIONS! THE SIA (SECRET INTERNATIONAL AGENCY) HAS CHOSEN YOU TO BECOME A SPECIAL AGENT.

The SIA carries out secret assignments, collecting intelligence in all corners of the globe. ("Intelligence" is spy-speak for "information.") Currently, we are in dire need of agents, but few have what it takes.

HAVE WHAT IT TAKES TO BECOME A SPECIAL AGENT?

Travel to London, led by your case officer. (A case officer accompanies agents on missions, and is a parent/trusted adult.) Then, complete a series of missions in the city. Similar to a scavenger hunt (only better), your missions require collecting valuable intel (short for "intelligence"), using it to break codes, then breaking The Final Code on page 10.

1:The Mission list & map are on p.4.

2:Missions 1-4 are at 4 outdoor sights: no need to go indoors, no need to buy admission tickets, and no set order.

3:Complete Missions 1-4 to get the info to break The Final Code & become a Special Agent.*

4:Let your friends/family know about your trip! With your Case Officer, choose the best pics from your Mission to share.

5:Case officers: check out our website, **ScavengerHuntAdventures.com/contest** for a photo contest (with cool prizes) & more missions.

* Using this hunt with our Mission London scavenger hunt book? Complete this hunt -and- the hunt in the Mission London book & become an **Elite Special Agent!**

IMPORTANT NOTES

- **Materials Needed:**

- pen/pencil - camera
- piece of paper (if viewing this on a screen)

- **Code Keeper:** Choose your most dependable team member to keep track of the clues you write down.

- **Intel Collection:** Do NOT search online for answers (unless completing the Virtual Scavenger Hunt* or if OK'd by your case officer). Using a GPS is fine.

TO CONCEAL THEIR REAL IDENTITIES, SPECIAL AGENTS ALWAYS USE CODE NAMES. FOR EXAMPLE, JAMES BOND'S CODE NAME IS 007. THINK OF YOUR OWN CODE NAME TO USE DURING YOUR MISSION IN LONDON.

SIGN YOUR CODE NAME HERE:

GOOD LUCK, THE SIA IS COUNTING ON YOU.

* **Virtual Scavenger Hunt:** If you're not actually in London or if your trip got cut short, your "intel" can be gathered online with your case officer as a virtual scavenger hunt.

MISSION MAP

LONDON'S LIONS

Lions, the king of the jungle, are a symbol of Britain. Try to go a day in London without seeing a lion...pretty much impossible.

During your mission in London, you'll be tracking down different forms of this important symbol.

PARLIAMENT & BIG BEN

London Eye

Starting near these two famous landmarks (Britain's government HQ and a world-famous clock tower), head across the bridge.

SNAP A PIC OF YOUR TEAM, WITH THESE TWO LANDMARKS IN THE BACKGROUND.

Look across to the other side of the river at the London Eye. The Eye has over 30 "capsules," with each assigned a number. However, in numbering the capsules, the builders skipped one number on purpose.

WRITE THE NUMBER YOU THINK WAS SKIPPED.

Hint: It's the "unlucky" number.

_ _ _ T E E N
 (A red dot is on the left side of the first three underscores.)

CLUE
1-A

Be sure the correct letter is on the space with the darker line.

Special agents always need to have their eyes peeled for intelligence: clues and critical info that others often miss.

Most people would miss these guys who monitor the Thames' water level. Some say that if the river rises to the level where these lions could "drink," watch out for flooding.

TRACK DOWN THESE LIONS (LEFT).

After completing your journey to the other side of the bridge from Parliament and Big Ben, hunt down another lion.

WHAT IS ITS NAME? (COPY ITS INSCRIPTION.)

Special agents must have excellent skills in image analysis - time to test yours. Four lions guard the monument for Admiral Nelson (a British war hero) at Trafalgar Square. Closely examine the lions and the tall column to figure out which image above does not appear at Nelson's monument.

WRITE THE LETTER OF THE ONE THAT DOES NOT.

Once you've gathered all your intel, take a pic of your team. Congrats, you've completed another challenging mission!

BUCKINGHAM PALACE

COPYRIGHT 2022

In front of this palace (the HQ of the British royals) stands a monument to one of Britain's queens. How many large lions surround her?

WRITE THE NUMBER.

Next, closer to the palace, track down some of these guys, all dressed up with their fancy gold crowns.

WESTMINSTER ABBEY

Time for more lion tracking.

LOCATE THIS GOLD ONE OUTSIDE THE ABBEY.

Hint: These guys standing in a line are nearby.

Had you lived in England back in the 1500s, you may have said this prayer:

MAY _ _ _ GRANT TO THE LIVING, GRACE
TO THE DEPARTED, _ _ _ _
TO THE CHURCH & THE WORLD, _ _ _ _ _ ...

As you can see, some words are missing. To figure them out, locate the prayer's words somewhere close by on the Abbey.

CHURCHILL

The leader of Britain during World War II, Winston Churchill, said those words from the code you just broke.

Any ideas what that has to do with completing this scavenger hunt? Well, if you broke that code, and completed the other missions in the hunt, then you didn't give up. You have proven that you have what it takes to become a SIA Special Agent.

CONGRATULATIONS, YOU ARE NOW A
SPECIAL AGENT WITH THE SIA.

Remember, Special Agent, when you're not on missions, and back to your normal life, think of this quote.

Even when things get tough, don't give up!
The SIA may be watching...
