## **ATTENTION: FUTURE SPECIAL AGENTS (YOU) & CASE OFFICERS (GROWNUPS)**

**CONGRATULATIONS. THE SIA (SECRET INTERNATIONAL AGENCY) HAS CHOSEN YOU AS A SPECIAL AGENT CANDIDATE.**

The SIA carries out secret assignments, collecting intelligence in all corners of the globe. ("Intelligence" is spy-speak for "information.") Currently, we are in dire need of agents, but few have what it takes. Do you?

**HOW WILL YOU PROVE YOU'RE READY TO JOIN THE MOST ELITE SPY AGENCY IN THE WORLD?**

You must complete a series of missions in Madrid. Similar to a scavenger hunt (only better), these missions require you to carry out challenging investigations and collect valuable intel (short for "intelligence"). For each mission, you'll earn points towards becoming a special agent.

**YOUR ASSIGNMENT: TRAVEL TO MADRID WITH YOUR TEAM, LED BY YOUR CASE OFFICER.**

(A case officer accompanies agents on missions. Your case officer is your parent or other trusted adult.) You must earn at least 50 points to become a SIA special agent.

-The list of missions is on page 1.

-Read the "Anytime Missions" early, so that you'll remain on alert and ready to earn points.

-You don't need to complete every mission to reach 50 points or complete them in any particular order.

-Scan the pages of each mission before starting to be fully prepared.

## MISSION RULES

- Be kind and respectful to team members.
- Your case officer (your parent or trusted adult) has the final decision regarding point awards.
- Your case officer has the final decision on what missions will be attempted. (Don't worry, you can still earn enough points to become an agent without completing all the missions.)
- Do not "cheat" by looking up the answers online, but using your phone as a GPS is AOK.
- Always be on alert. You never know when a chance to earn points lies just around the corner.

TO CONCEAL THEIR REAL IDENTITIES, SPECIAL AGENTS ALWAYS USE CODE NAMES. FOR EXAMPLE, JAMES BOND'S CODE NAME IS 007. THINK OF YOUR OWN CODE NAME TO USE DURING YOUR MISSION IN MADRID.
